

DISCOVER CAMP HOST HOME FAQs

Why Host Homes?

We could stay any number of places but here at T Bar M, we believe that by God's design growth and transformation happen best within relationships. Host Homes allow our staff a unique discipleship opportunity to grow and be transformed alongside you and your family.

Who would stay in my home?

A minimum of three college students of the same gender. If you would like to host more, even better! Let us know how many you are able to accommodate.

How long will I host them?

Our staff will arrive at your home Saturday evening and will leave your home the following Saturday morning. This is a total of seven nights in your home (Saturday - Friday).

Where will they sleep?

Each of our staff will sleep in their own bed (space). Air mattresses count as their own bed so let us know if you need any, and we will bring them with us!

Where will they bathe?

We ask that our staff have access to a full bathroom that will not be shared with the rest of the family.

Will I have to drive them around every day?

No need! T Bar M will provide all of their transportation for the week. In order to maximize our transportation time, we ask (if possible) that you live within a 20 minute radius of the church site.

Will I have to feed them?

Great question and the answer is YES! This is a huge part of what we expect from you as a host home. We ask that you provide breakfast every morning for our staff. We leave EARLY so it doesn't have to be a full breakfast (grab and go items work great). We also ask that you provide dinner and eat with our staff three nights during the week (Saturday, Monday, and Wednesday night).

Laundry

Life on the road makes it hard for laundry "pit-stops!" Our staff will be able to use their "off-time" on the weekends to do laundry. However, if your washer and dryer were available to them during the week, they would be extremely grateful!

Thank you so much for considering the opportunity to host our staff for a week! If you have any specific questions or concerns, please feel free to contact the Discover Site Director, Cy Calhoun (580) 606-7922 or cyc@tbarm.org.
