

CAMPER MEDICATION POLICY & CHECKLIST

UPDATE CAMPER'S ONLINE HEALTH FORM

Please make sure **ALL** medications have been updated within your camper's Health Form. Add and delete medications as necessary, but any medication being brought to camp should be written within that Health Form.

** Health Form is located in your T Bar M registration account*

INCLUDE PRESCRIPTION LABELS/DOCTOR NOTE

All prescription medications should have the prescription label present. This includes the box for inhalers or paper prescription/note from Doctor if the original box can't be located.

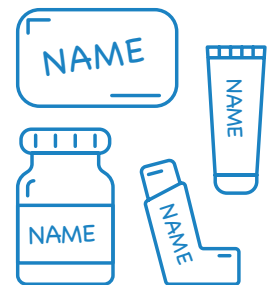

NO LOOSE PILLS

All over-the-counter medications need to be in original containers. No loose pills will be accepted.

LABEL INDIVIDUAL MEDICATIONS

All medications should have campers **FIRST** and **LAST** name written on the box/bottle, as well as directly on inhalers, liquid meds, ointments, etc.

PACKAGE & LABEL MEDICATION BAG

Once labeled, place all medications in a Zip Lock Baggie, and make sure that the baggie is also labeled with the campers **FIRST** and **LAST** name.
