

SOCIALLY RESPONSIBLE MEETINGS

TOGETHER CREATING SAFE PLACES TO GATHER AND GROW

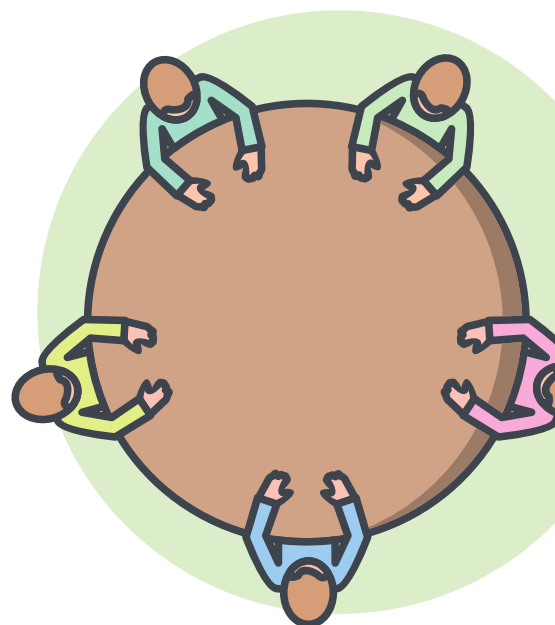

CREATIVE MEETING SPACES

T Bar M has plenty of outdoor and uncommon spaces to gather your people. Picnic tables, courtyards and covered patios let your people soak up fresh air. Indoor gym and arena space allow the largest groups to spread out and maintain social distances while meeting.

SPACIOUS SETUPS

T Bar M will arrange chairs and tables with plenty of social distance in mind. Snack and drink stations will be set up in larger spaces to allow everyone easy access during meeting breaks.

SERVING YOU

Our fabulous kitchen staff is ready to serve your plate. This keeps shared utensils to healthy staff who enjoy serving your people. It might take a little longer to fill your plate, but that gives time for more conversations ... at a social distance of course.

COMMITMENT TO CLEANLINESS

We are committed to maintaining high standards of cleanliness. In addition to current practices, we will pay extra attention to keeping shared amenities wiped down multiple times during the day.

COMMITMENT TO HEALTH

We are committed to the health of our guests and staff. In order to serve you best, we are health screening all staff daily and all guests upon arrival.
